17 December 1954

**MEMORANDUM FOR:** The Deputy Director (Administration)

**SUBJECT:** Proposed Regulation No. [REDACTED] Printing and  
Reproduction  
(Job No. 618-REB)

25X1A

1. Subject Regulation is forwarded for authentication.
2. This Regulation prescribes policy, assigns responsibilities, establishes controls, and outlines procedures applicable to the printing and reproduction services of the Agency. It applies only to service-type printing and reproduction and is not applicable to facilities used in connection with individual ID/P operational projects or the specialized activities of TSS, ID/P.

3. The Chief of Logistics, who originated this draft, has stated:

"Agreement has been reached with representatives of the Deputy Director (Plans), the Director of Training and the General Counsel relative to all comments submitted to your staff as a result of formal coordination. The attached revised draft incorporates the changes agreed upon. There are no remaining areas of difference."
